

Audience

The recital line-up and dressing room assignments are on the other side of this sheet. No males are allowed in the dressing rooms. All boys dress in Room 133.

Studio 60 is downstairs underneath the stage. Take the stairs in the exterior hallway (parking lot side) to the left of the stage. **Restrooms** are located backstage and at the rear of the auditorium (through the double doors and down to the lower lobby). **If the dressing rooms 109 and 119 are NOT available during rehearsal, please wait at the nearby set of steps.**

Some quick changes cannot be avoided. There are quick change dressing areas on both sides of the stage. Steps to either side of the stage are off limits. **DO NOT USE THESE STAIRS!!!** Please be ready in your dressing room 10 numbers in advance of your number; remember the gaps inbetween acts are not as large as they appear. For example if you are #28 and #55, you will not reach your dressing room after the first routine until about #31. Then you must change and be ready by #45 because we will leave 10 numbers in advance. A big thanks to stage moms that escort the children and keep them quiet and orderly backstage!

It is impossible to accommodate all classes and/or siblings on dressing room assignments. If your child or children have multiple dressing rooms it is ok to dress in only one of the rooms. **However you must still be in front of the correct dressing room 10 numbers in advance of your number. If you cannot find your class go directly backstage.**

Please understand that the dressing rooms WILL BE CROWDED and HOT. Do not use them unless you have to! Turn on as few lights as possible in the dressing rooms, the make up lights will make the room hot! **If you only have one costume, don't use the dressing room. Wait outside the dressing room.** Come ready and dressed in your first costume, with cover-up on. **You will thank yourself later !!!**

You do not have to stay for the entire rehearsal. You may leave after your last routine. However we do encourage you to stay at recital. It's fun and inspirational to let your dancer see what levels can be achieved.

If you are receiving a trophy please come backstage during the last dance at recital, we don't rehearse this.

Please arrive at least 30 minutes before showtime. **The doors will open 1 hour before shows.** Remember that there may be an ongoing show. Be courteous and enter and exit between acts. Your dancers have worked hard all year. Please give the respect they deserve! Please no talking during the routines and turn off or silence your cell phones. Ushers will be monitoring the audience this year. Thank you for obeying the rules. Thank you for a great year and we hope you enjoy the show!

No Food Or Drinks Allowed In The Auditorium
